

DANCE PICTURE SCHEDULE!!

2 sided schedule!

All pictures are taken at THE DANCE STUDIO .

We ask that all dancers attend pictures so we have all dancers to display on our wall. It is your choice to purchase pictures. **ALL PURCHASING WILL BE DONE ONLINE!**

If your costume comes with a hair piece, it should be worn on the RIGHT side for pictures unless you have been given special instructions. The background is white and often the dancers can look washed out. **Make-up is encouraged to help highlight their faces especially for group pictures that are taken from further away.**

We will NOT be wearing tap shoes for groups except for Performance Tap Teams, Clogging and Minis Tap. Dancers can change for individuals for tap if they want. Dancers should wear the capezio nude tights for pictures unless they have been told to wear no tights.

Your picture day may not be the same as your dance class day due to scheduling.

>>>>You will see a picture date, a time and a class name/description. This is when you are scheduled for pictures. Use a highlighter and highlight your classes. If you need help, just ask!

We have some costume delays. I am calling the companies weekly to get updates on ship dates. If a costume does not come in on time for pictures, we will reschedule that class.
