

# 2023 DANCE RECITAL DVD/USB Order

The price of the recitals will stay the same again this year but with the advance in technology, we want to give you more options to view the recitals. We are offering USB storage drive along with the DVD media.

The USB drive will give you the option to view the recitals on any USB enabled TV or other device.

Shipping is included to your home address. Please include your FULL mailing address to ensure proper delivery. Copies will be sent approximately *45 days after the April recital*. Our goal is to provide a pleasurable viewing experience for everyone. The DVD set will be chaptered to enable you to navigate directly to the dance(s) you wish to view. The recital will be shot in high definition and available in HD only on a USB Storage drive. The USB drive will not have the dances chaptered.
